88.6 – News that Rocks

CONTACT

Solution: New Audio & News Concept

“So rocken die Nachrichten“

- Followed by a song from the band
- Promo for the “Rot-Weiß-Rockshow” (every Monday)
- **Goal: support local talent & strengthen listener loyalty**

“Hidden Hit“

- Daily feature after the news block
- Teaser clip with a song snippet
- First right guess wins an event ticket
- **Goal: Boost attention & interaction**

Audio Concept

- Headbanger Headlines
- Rock-Style Background Music
- Ping-Pong style
- Original Report Sounds

What remains?

- **“10 Minuten früher”**: strong positioning vs. competitors
- **Bought News Content**: professional & cost-efficient
- **Structure**: national – international – good news
- **Traffic & Weather**: real-time via call-ins & public sources

Why it fits our target group

- Rock fans value authenticity and music identity
- News must be quick, relevant, and entertaining
- They dislike interruptions → turn news into a rock experience

Goals & Benefits

For the station	For the listeners
stronger listener loyalty	better orientation
consistent quality across devices	less channel switching
support for local rock talents	interactivity and fun
strengthen brand identity	rock style news experience
