NEWS
CONCEPT

Current news program

- news airing 10 minutes BEFORE the hour
- provided by Radio Content Austria
- world news – focus on Austria
- no in-house reporters
- no dividing sounds

News formats of competitors

	type of presentation	moderation	frequency	background music	special formats
Radio BOB! Rock'n Pop	short → focus on main information	external news provider	hourly/half-hourly	no music	special rock news
star fm Classic Rock	short → focus on main information	external news provider	every 30 minutes in shows	no music	rock news, breakfast club
Hitradio Ö3	professional → detailed news reports	moderators & original sounds	hourly/half-hourly	sound effects	
Kronehit	medium → focus on main information	moderators	hourly/half-hourly	music	

Current issues

no clear USP

background music

unclear transitions

Solution

host-read news
audio concept
“So rocken die Nachrichten!”
“Hidden Hit”

Audio concept and format highlights

Headbanger Headlines:

drum-transition and keyword for clear, energetic topic transitions

Rock-Style Background Music:

modern, brand-consistent sound across all devices

Ping-Pong style:

two moderators reading the news to keep it interesting and add a personal note

Original Report Sounds:

adds emotional depth and realism to news segments

“So rocken die Nachrichten”

news presented by emerging/local rock bands

followed by their song

promotion for “Rot-Weiß-Rock”

every Monday - weekly

“Hidden Hit“

event special

daily teaser clip

directly after news block

first correct call-in gets event ticket

What remains

"10 Minutes Earlier"

strong USP; music while others play news

Bought News Content

cost-efficiency, aligned with audience interests

Proven News Structure

national, international, “Good News at the End”

Traffic & Weather

no changes; based on real-time call-ins and public info

Benefits

Host-read news

builds connection
smoother transitions
fits brand identity

Audio concept overhaul

same quality across devices
smoother transitions
clear topic changes

So rocken die Nachrichten

audience loyalty
artist visibility
bond with audience

Hidden Hit

audience engagement
reduced station switching
event promotion

Why it fits our target group

- rock fans with strong music identity
- values authenticity
- quick, relevant and professional information
- main focus on entertainment
- dislike of major interruptions

turning news into a rock experience
—
just like our station

Costs of changes

Collaboration with newcomer bands	
Goal	fresh sound in the program without additional production costs
Advantage	win-win situation → attention for artists, exclusive content for the station
Costs	**NONE**

Audio concept & ping-pong style	
Goal	dynamic delivery & greater attention for short news segments
Costs	external freelancers: additional costs
	existing editors or hosts: **NONE**

What makes us special

always one step ahead

10 minutes earlier

strong connection via familiar voices

Host-read

rock-influenced sound design

Audio concept

interactivity, motivation, fun

Hidden Hit

personal bond & support for local rock culture

So rocken die Nachrichten

interesting
innovative
immensely rocky
